 (pub. at £1. 1s) 1825
- This volume contains specimens of ancient Greek inscrip-
 tions, the characters of which will be found to corres-
 pond with those on ancient Greek coins, and will no
 doubt prove a desirable acquisition to the Numismatist.
- 461* RUDING'S Annals of the Coinage of Great Bri-

- Copies are on hand in a variety of bindings.
- "This edition puts forth pre-eminent claims to our eulogy,
 from its presenting an excellent Index, whereby the Nu-
 mismatist may at once refer to any coin on the plates,
 and likewise to the description of it in the letter-press.
 To the historian and the antiquary we consider this pub-
 lication to be altogether of the foremost order."
